BDL BETTER DESIGNED LIGHTING

HOSPITALITY LIGHTING

Options that make a big impact

Size, Style, Finish, Lamping... there are a number of details to consider when designing and specifying for your guestroom and public area projects.

At Better Designed Lighting, we do more than just manufacture the perfect table lamp or statement chandelier. As lighting experts, we are here to answer any question and meet any request.

Better Designed Lighting... fine lighting crafted to realize your design intent.

Any style, size, and finish...crafted to realize your design intent

Brand approved for program standards

Brand standards and program packages often decide the direction a project will take. BDL is approved for all major brands and understands your client's expectations.

BDL BETTER DESIGNED LIGHTING

Lamps that do more than just light up a room

Ports, plugs, and power switches... functional hospitality bases make any desk lamp part of today's well-equipped workspace.
